ABOUT THE DEVELOPER

13,500 housing units successfully completed

15,000,000 sqm+

Mixta Africa began its journey of building communities in April of 2005 with a vision to improve the face of Northern and West African infrastructure. 10 (Ten) years later in 2015, Asset & Resource Management Company (ARM), the largest non-bank financial institution in Nigeria acquired Mixta with over US\$3.5 billion under management, making it one of the largest indigenous real estate companies in Africa. Today, we are headquartered in Lagos, Nigeria with offices in 4 other African countries: Tunisia, Morocco, Cote d'Ivoire and Senegal and projects in 8 countries across the continent including Algeria, Mauritania and Egypt. With a development ready land bank of over 15 million sqm, we have successfully completed over 23 projects across Africa.

Mixta Africa has built a strong track record of reliability, durable structures and swift delivery of communities which has helped us sustain strong relationships spanning over 20 years and a continued trust from our customers across Africa.

In Partnership with
